Exam Results

Last year, our (current) primary 5 students sat for the National exams. We are pleased to announced that they did exceptionally well. Here is a snapshot of their results and our school rank by subjects.
Congratulations, Dragons!

Extracurriculars

We are excited to be starting the year with a strong focus on extracurricular activities.

Children's University

Our primary 1 - 5 students will now be joining the Children's University program on Saturdays, getting lessons in STEM, Art, Music, Drama and Sports

Coding Program

The primary 5 students will be taking coding classes through Code.Org's Hour of Code program. This was inspired by a riveting robotics seminar delivered by visiting teachers from Turkey!

Students Newsletter

The primary 5 students will be also be running our school newsletter! Be sure to check our february issue to see what they have in store!

Karate & Swimming Teams

We are also excited to have Karate & Swimming teams! Students will train to compete in national & international events
